RE: *In re European Gov't Bonds Antitrust Litig.*, No. 19-cv-02601 (S.D.N.Y.)

Dear Judge Marrero,

Plaintiffs write to update the Court about the status of the Court-approved settlement class notice program. ECF No. 315. On March 20, 2023, Plaintiffs informed the Court that there were unexpected delays in the dissemination of notice to class members and requested that the Court vacate the existing schedule. ECF No. 334. The Court vacated existing deadlines associated with the State Street and JPMorgan settlements. ECF No. 335.

Recently, UBS informed Plaintiffs that it can complete the mailing of notice to potential class members within two months of receiving the final notice packet. However, Plaintiffs intend to file for preliminary approval of settlements with additional defendants. In that motion, Plaintiffs will seek approval of a combined notice that will describe the new settlements, as well as the prior settlements with State Street and JPMorgan. Plaintiffs will also propose a schedule for the dissemination of that notice to potential class members, including those that have previously received notice of the State Street and JPMorgan settlements. As will be explained in Plaintiffs' forthcoming preliminary approval motion, Plaintiffs believe that their proposed schedule will create significant efficiencies for Plaintiffs, the Class, and the Court as there will be a unified schedule addressing all settlements.

Plaintiffs are available at the Court's convenience should the Court have any questions concerning this letter.

Respectfully submitted,
